# Detroit's Original Square Pizza

Nobody had ever tasted anything quite like this. Thick, perfectly-crisped crust, topped with a thick layer of select cheeses. Hand-sliced premium meats and vegetables. A generous amount of savory, perfectly-spiced sauce. All baked to perfection in a traditional stone oven. Gus Guerra's creation was an immediate sensation, and the original Detroit-style square pizza was born.

Our original pizza recipe calls for a baking time of approximately 25 minutes. So sit back, relax, and wait for a truly memorable pizza experience!

Please consider an appetizer while you wait.
